The Office of Residence Life and Housing FAQ for CASA Students

As a CASA Academy student, am I able to apply for fall housing before the program ends?
Yes. The Office of Residence Life and Housing encourages participants to apply as early as possible.

How do I apply for housing for the fall semester?
Students are able to apply for housing by logging onto the application website at http://reslife2.morgan.edu/

The following is needed to complete the application:
- Username and password (username is the portion before the @ sign (username@morgan.edu), password is the password to your email)
- Credit or debit card

Is there a deadline to apply for on-campus housing for the fall semester?
There is no deadline to apply. However, if all spaces have been assigned, a wait-list will be created.

Is there an application fee associated with the housing application?
Yes. There is a $200 non-refundable application fee.

If I decide not to attend Morgan State University in the fall can I be refunded my application fee for housing?
No. The application fee is non-refundable. Refund consideration will ONLY be given to those students who do not pass the program.

Will I be able to keep my room that was assigned to me during CASA for the fall semester?
There is no guarantee that you will be able to keep the same assignment, as summer assignments are based on building availability and not academic or classification restrictions. However, you will have the opportunity to select your own building and room assignment during a specified time period. It may be possible to maintain the same assignment.

If you have additional questions about on-campus housing for the fall 2016 semester please contact The Office of Residence Life and Housing at 443-885-3217.
