Morgan State University - Architecture/Urban Design Position

Program:
The Architecture and Environmental Design Program (BSAED) in the School of Architecture and Planning (SA+P) at Morgan State University (MSU) is a four year pre-professional degree program that supports the University’s mission by providing access to design professions for underrepresented minorities, and engaging in urban research in Baltimore and the world. The SA+P is housed in a state of the art interdisciplinary facility in northeast Baltimore City.

Position Announcement:
The School of Architecture & Planning (SA+P) invites applications for a tenure-track assistant professor position to begin August 2016. Candidates should have an established record of professional and academic achievements within their field, and be prepared for the responsibilities of a faculty member in a Carnegie-designated research institution.

The successful candidate will demonstrate the ability to develop and implement:
- Beginning design curriculum
- Housing and Urban Design curriculum as part of the programs thematic ‘Baltimore’ studios offered to third year students.
- Intern/mentorship programs including outreach to area professional community
- Curricular and extracurricular partnerships with municipal agencies including Department of Planning, UDARP, Baltimore Housing, as well as community agencies.
- A research agenda relevant to the university missions stated above

Position Requirements:
Candidates must have the following minimum qualifications:
- Professional licensure, additional consideration will be given to candidates with a PhD.
- Prior teaching and professional experience.
- Demonstrated ability to work with colleagues in a collaborative environment and relate to a diverse student population.

Compensation and will be commensurate with qualifications and experience.
Morgan State University is an Equal Opportunity/Affirmative Action Institution. Women and minorities are encouraged to apply.

Application Process:
To apply, submit the following materials electronically to gabriel.kroiz@morgan.edu (20 page PDF max)
- Statement of interest, including areas of teaching and academic research
- Bio
- Curriculum vitae
- Examples of syllabi, assignments and student outcomes
- Examples of creative/scholarly work
- Three references with contact information

For fullest consideration, please submit materials by 03/25/2016. Position will remain open until filled.
