TUITION AND FEES

The University Bursar's Office is available to provide you with convenient courteous service to assist in making financial arrangements to finalize your registration each semester. Be certain, however, to follow the directions outlined in the financial aid section of this catalog, if any portion of your bill is to be covered by scholarships, grants, loans, etc. Following these guidelines will assist in a timely credit of funds to your account. Please contact the Bursar's Office at (443) 885-3108, if we can be of further assistance.

This fee must be paid in the form of a certified check or money order made payable to Morgan State University. The priority deadline date for the submission of the housing application is April 1st for the next academic year. Please note that application for campus housing is for the entire academic year inclusive of the Fall and Spring semesters. Students intending to matriculate starting with the Spring semester must submit the housing application by October 1st. Applications must be submitted by these dates to be considered priority. After these deadlines, applications will be considered on a first-come basis pending satisfactory financial arrangements as stipulated by the Office of the Bursar, and/or clearance of the cost of tuition, fees, room, and board.

After applications are processed, students will receive a letter informing them that a room will **be finalized after financial arrangements have been completed. Applications for students who matriculate during Spring semester are subject to the cancellation policy governing the entire year.

Cancellation requests granted after the first day of classes are subject for review on a case by case basis. **Failure to pick up a key will not release a student from the contractual agreement.** Students officially withdrawing from the University may be entitled to a partial reduction of charges for **room and/or board.** In these cases if applicable, the room adjustment will be computed to include 20% of the charge for the semester as a service charge, and the remainder prorated on a daily basis.
