**Career Personality Test**

What's your personality type? Take this test to learn which of 16 potential personality types you are. Based on personality type theory developed by Carl Jung, the MyPlan.com Career Personality Test will pinpoint your workplace strengths and direct you toward professions that best compliment your unique personality — we’ll even rank-order 739 careers according to how well they match your personality!

**Career Interest Inventory**

Why would you ever work in a profession that doesn't interest you? You'd be surprised at just how many people work in careers that don’t truly interest them. The MyPlan.com Career Interest Inventory is based on the renowned work of Dr. Holland who theorized that people with the same or similar interests are often found in the same work environments.

**Career Values Assessment**

What are your underlying needs and motivations? Does the career you're in (or thinking about going into) really satisfy those personal values? Take the MyPlan.com Values Assessment to ensure that your career path is in sync with your underlying values system.
