RE: Recreational Opportunities

Thank you for the early submission of your requests for utilization of Hurt Gymnasium and Natatorium. I wanted to contact you to let you know what we offer, the price, and hours of operation for summer programs.

Summer programs needing recreation after 5:00 p.m. will be utilizing the facilities at the same time as our summer school students. Although these program participants are usually 15-19, I just wanted you to be aware that Morgan State students will be in those areas also. Those participating in evening recreation will have the same offerings as our summer school students. This includes the following:

Afternoon recreational services will not be available until July 1, 2016. These participants must be at least 10 years of age. In order to swim in the pool, participants must be at least 4’6 inches tall. The shallow end of the pool is 4’. Afternoon activities will include: basketball, dodge ball, double Dutch or jump roping, cheerleading, and swimming. Each afternoon camp can only be allotted 1 hour per day in the gym and/or the pool.
Prices: $100 per day for utilization of the pool and the gymnasium.

Rules: Today's hair styles dictate that all participants must wear a swimming cap while in the pool, by order of the pool maintenance service director. We do sell swim caps for $5. No shorts or shirts may be worn in the pool. Swim suits only. There must be at least (1) program counselor/supervisor per 25 people in the area(s) you are using. Only 25 participants per camp are authorized to utilize the recreation areas at one time. In many instances, you will be sharing the area with another program(s). If you are using the pool and the gym, you can divide your group by putting (25) in the gym and (25) in the pool. If a camper does not want to participate in recreational activities, they will not be permitted to stay in the area. They will be sent back to the camp’s location. Everyone in the area must be playing or swimming. Anyone not obeying IRO staff members will not be permitted to recreate in Hurt Gymnasium/Natatorium.

IRO Staff members will always be present to lead or assist camp participants with various activities. If you have a special request or have students with special needs, please make the staff member aware of this.

We look forward to having your campers getting fitness and recreational services while they are participating in your summer program. Please let me know if I can answer any questions you may have about our services.
