

## Housing Confirmation Process

Confirmed housing assignments for new and returning MSU students are emailed (to the student's MSU email account) before you arrive on campus beginning in June. It is the student's responsibility to keep The Office of Residence Life & Housing informed of his or her correct email address and to monitor his or her MSU email account for housing information. We do not encourage students without a confirmed housing to come to campus on arrival day with the expectation of receiving a housing assignment that day.

**All students must be financially settled before receiving a housing assignment confirmation and moving into the residence halls or campus apartments.** Being financially settled means that you have made satisfactory financial arrangements to cover the entire cost of tuition, fees, room and board for the Fall Semester 2010.

We begin assigning rooms in June on a first come, first served basis based upon the date that satisfactory financial arrangements have been made to cover the entire cost of tuition, fees, room and board. You should be aware that space is limited and the date by which you make satisfactory arrangements for the Fall Semester 2010 will have a significant impact on your ability to receive a confirmed housing assignment.

The payment date for the Fall Semester 2010 is August 2, 2010. Payments should be made directly with The Office of the Bursar. If you need to know if you are financially settled, please log into Webis, or contact The Office of the Bursar at 443-885-3108.

An Assignment Coordinator in The Office of Residence Life & Housing will be happy to speak with you in order to ensure that satisfactory financial arrangements have been made so that you can secure a housing assignment.
