41ST ANNUAL CAREER DAY

10am - 3pm
Hill Field House
Open to ALL students and ALL majors!!!!!

Start your Career Journey Here!
- Explore career opportunities in various fields
- Gather information on jobs and internships
- Network with industry leaders
**CAREER FAIR TIPS**

**AT THE FAIR**

1. **Make a good impression:**
   - Arrive early; employers are at their peak and there is less competition.
   - Dress professionally. Wear comfortable shoes. First impressions count!
   - Carry as little as possible (avoid coats or backpacks, etc.); turn off cell phones in the employer area.
   - Smile, make eye contact, and shake hands firmly and confidently. Introduce yourself with your full name, major, and graduation date.
   - Remember your body language...don't fidget or look around. Act interested, focused, and enthusiastic. Be friendly, assertive, mature, and sincere.
   - Don't ramble. Provide a concise, well-prepared overall view of what you have to offer and your career interests.
   - Ask at least 2 intelligent questions of each organization, about such topics as: company mission, client base, internship or co-op opportunities, summer or part-time employment, full-time career paths, trainee programs, hiring procedures, etc. Keep in mind that employers will expect that you have researched and will not want to answer questions that are easily available on their website. *Note: Don’t just drop your resume at the employer’s table. Try to get it into a recruiter’s hand. If you cannot speak to the recruiter, look for a business card to contact him/her at a later time.*

2. **Make things easier on yourself:**
   - Network...while in line, talk to other students about recruiters they have spoken to already.
   - Speak clearly and loudly enough to be heard through the noise.
   - If provided, wear nametags prominently - list your name, class year, and degree. This will help employers remember you better.
   - Bring 20+ resumes in a folder or portfolio. You can separate resumes with different objectives for easy accessibility. However, be prepared to sell your skills and characteristics in person. Recruiters will remember their impression of you as much or more than your resume. *Note: Many employers will direct you to apply online. If this is the case, know that the individual interactions that you have with the employer can be valuable as you will stand a better chance of being recognized when the recruiter reviews the online resumes later. Don’t get discouraged if the recruiter does not take your resume. Use the time to make a positive impression and be memorable.*
   - Bring something to carry company literature, business cards and giveaways.
   - Carry a pen and note pad.
   - Ask for the recruiter's business card for follow up; take notes about each organization on the back of business cards that can help you recall your conversations with recruiters.

**AFTER THE FAIR**

3. **Follow up with company representatives:**
   - Organize company brochures and contact information so you can easily begin the process of following up with employers.
   - Mail or email a thank-you letter as soon as possible to each organization of interest to reinforce your good image, and include a copy of your resume
   - Approximately 2 weeks after mailing the letters, call the recruiter to confirm receipt of your letter and to express your continued interest in the company and desire for an interview.
Dear MSU students and alumni,

The staff in the Center for Career Development welcome you to the 41st Annual Career Fair. We have over 120 employers in attendance who participate in career fairs at Morgan State University seeking the “best of the best”. Be sure to review the profiles of the organization(s) that you are interested in, along with career fair tips included in this directory to make sure you make a great first impression. As you interact with the organizations, plan to discuss career opportunities that will be available to you immediately.

If graduate or professional school is in your immediate future, consider discussing your plans with the institutions that are represented.

You will also find Morgan State University alumni serving as representatives; be sure to look for the orange ribbons on their name tags. Think about it, what better way is there to enhance your own personal and professional development than to speak to individuals who have “been there, done that?”

As Morgan State University Alumni, you are still able to utilize the services of the Center for Career Development. Whether you are in the job market, exploring a career change, or considering graduate school, you can take advantage of a full range of services offered by the Center. Visit our website for more details about our resources.

In closing, we wish you continued success as you pursue your career goals. Please share your success stories with the Center so you can serve as an inspiration to other Morgan students.

Sincerely,

Seana T. Coulter
Director

Public Service Loan Forgiveness Program

The Public Service Loan Forgiveness (PSLF) Program forgives the remaining balance on your Direct Loans after you have made 120 qualifying monthly payments under a qualifying repayment plan while working full-time for a qualifying employer.

What is qualifying employment?

Qualifying employment for the PSLF Program is not about the specific job that you do for your employer. Rather, it is about who your employer is. Employment with the following types of organizations qualifies for PSLF:

- Government organizations at any level (federal, state, local, or tribal)
- Not-for-profit organizations that are tax-exempt under Section 501(c)(3) of the Internal Revenue Code
- Other types of not-for-profit organizations that provide certain types of qualifying public services

For more information, visit https://studentaid.ed.gov/sa/repay-loans/forgiveness-cancellation/public-service

Denotes employers who meet the definition above.
