

OFFICIAL PROTOCOL FOR MORGAN STATE UNIVERSITY (MSU) ENGINEERING GRADUATE STUDENT (EGS) ENROLLMENT INTO JOHNS HOPKINS UNIVERSITY (JHU) GRADUATE COURSE

The below procedure for a MSU Engineering Graduate Student to enroll into a JHU course was developed by:

Morgan State University
School of Engineering
Office of the Associate Dean
for Research and Graduate Studies

The documentation below follows the procedure and protocols of the Graduate Engineering Education Partnership Agreement between Morgan State University and Johns Hopkins University Whiting School of Engineering.

For The Graduate Student:

JHU EP Course Selection: Go to the JHU EP Website (see “*Useful Links*” on page 5), use “*Programs & Courses*” link to search for desired course. Use “*Course Schedule Search*” link to ensure course is offered during requested semester.

1. Complete MSU-JHU Program Application Form

- a) Graduate student will complete an online application for JHU Graduate admissions, using the link found on page 7 of this document, and then complete and submit the enrollment form (found on page 8) to the MSU Designated School Official.

The *MSU Designated School Official* point of contact is:

Name: Dr. Arlene Cole-Rhodes,

Associate Dean for Graduate Studies & Research

Email: arlene.colerhodes@morgan.edu

Telephone: 443-885-3912 /4207

Room: MEB 114 (or SEB 338)

- b) **For International Students:** The following documents must also be submitted by the Graduate student to the MSU Designated School Official, and will be forwarded to the JHU Engineering for Professional (EP) Admissions Coordinator and the JHU Registrar:
 - (i) Copy of visa
 - (ii) Copy of passport
 - (iii) Copy of I-20 form
 - (iv) Copy of I-94 form

These documents are not required if the courses are fully online (as during the covid pandemic).

2. Course Registration Process

- a) Graduate student shall seek approval from their faculty research advisor to enroll into a JHU course.
- b) Student will complete and sign “*MSU/JHU Collaborative Course Enrollment Form*”, which is found on page 8 of this document.
- c) Request signature from faculty advisor.
- d) Request approval to enroll into the JHU course and signature from their Department Graduate Coordinator (DGC). (Check with your Department for the name of your Graduate Coordinator).
- e) Once the Graduate student has received these signatures on the “*MSU/JHU Collaborative Course Enrollment Form*”, the Graduate student shall submit a copy of the form to the MSU-JHU collaborative agreement Designated School Official (DSO) for MSU. The MSU Designated School Official will release an enrollment letter for the graduate student, which will be emailed directly to JHU Engineering for Professional (EP) Admissions Coordinator and the JHU Registrar.

Note

- (i) The MSU Designated School Official is solely authorized to release the JHU Enrollment request letter.
- (ii) The MSU Designated School Official will release the JHU enrollment letter only after confirmation that the “MSU-JHU Application Form” has been submitted, and receipt of the completed “MSU/JHU Collaborative Course Enrollment Form” with all required signatures.

3. MSU Course Enrollment

- a) After obtaining a signature from Designated School Official, the Graduate Student should request an override into the respective MSU SOE department XEGR 780 course.
- b) *After the DGC signs the “MSU/JHU Collaborative Course Enrollment Form” and on receipt of the override request, the DGC shall complete the following:*
 - i. Enroll Graduate student into XEGR 780 – MSU/JHU Engineering Education Study. DGCs are solely authorized to enroll students into their respective departmental MSU/JHU Engineering Education Study course.
 - ii. The respective DGCs are responsible for enrolling the Graduate student into the respective MSU/JHU Engineering Education study course to ensure and maintain the quality of the departmental graduate program.
- c) If the DGC has approved the Graduate student to enroll into a JHU course, the course will appear on Graduate student’s WEBSIS account and will be treated as if the Graduate student is enrolling into a course at MSU.
 - i. JHU course is not treated as a transferrable course; it is treated as a course taken at MSU.

NOTE: Graduate Student should follow through with the DGC to ensure that the DGC has registered the student for the JHU course on MSU WEBSIS.

NOTE: For future course enrollments, if a Graduate student would like to register for additional courses in future semesters, the Graduate student shall abide by the above process, excluding submission of the Program application (step 1 above).
