

Climate Science Division: Weather Balloon Operators Needed

We are recruiting multiple Weather Balloon Operators starting summer semester in May, for the COURAGE Field Campaign Supported by the Department of Energy (DOE):

<https://www.arm.gov/research/campaigns/amf2024courage>

- **Be part of an exciting scientific experiment**
- **Collect weather data that are used in national climate research**
- **Getting paid \$45 /launch (1:30 PM and 7:30 PM EDT) and \$60 /launch (1:30 AM and 7:30 AM EDT)**
- **Easily fit around class/activity schedules**
- **Operation time: May 2025 ~ November 2025**

Apply now if you:

- **Are reliable and punctual**
- **Can arrange transportation to Clifton Park, Baltimore (~2.5 miles from Morgan, arriving 1 hour before launch time)**
- **Have basic knowledge of data and graph reading**
