DEFICIENCIES

B. 8 Environmental Systems

Satisfied; no further reporting required. The program added course work in acoustics to ARCH.523 Architectural Technology III in the fall semester 2011.

CAUSES OF CONCERN

Physical resources

Please continue to report on how this concern is being addressed, including the move to the new facility in summer 2012 and efforts to provide additional studio space in downtown Baltimore.

Human Resources

Please continue to report on efforts to address this concern.

Financial Resources

The recently drafted 10-year strategic plan does not allocate additional resources for external faculty professional development but does call for planning two internal development activities per semester. Please continue to report on developments related to this concern.
