Now hiring people who want to help people.

Below is a list of current job opportunities at CSG organized by location. If a position is located in multiple locations, please apply for the location in bold for the town that interest you.

Education / Experience Key:

HS Diploma or Equivalency or 18 years of age or older

LPN or RN

Associates, Bachelors, Masters Degree

LSW, LCSW, LPC, LMFT

Certified

Corporation

This company meets the highest standards of social and environmental impact

At **Community Services Group (CSG)**, a Certified B Corporation, you will have the opportunity to support people with intellectual and developmental disabilities (IDD) and/or mental health (MH) diagnoses in many ways, including building independent lives and a connection to their community.

We have opportunities for those who are new to human services with no experience, a high school diploma or equivalency and those with Associates, Bachelors and Masters degrees or a professional license.

Like other healthcare organizations, we provide essential services to individuals and we will continue to serve and to hire during the COVID-19 pandemic while providing a safe and stable work environment for our team.

When you become a valued member of the CSG Team, you will make an impact in someone else's life, while also making a difference in your own.

If you're ready to start a meaningful career, CSG is a perfect fit!
