## ONSITE & OFFSITE THERAPISTS

Change Health Systems (CHS) is a community based behavioral wellness center and human services corporation licensed by the State of Maryland Department of Health and Mental Hygiene, and accredited by CARF International.

Serving the Baltimore and Washington area since 2003. We provide Psychiatric Treatment and recovery, rehabilitation and therapeutic services to individuals and families.

At CHS, we believe in the delivery of personalized, holistic, evidence-based, services unique to each client and clinically necessary.

We recognize that for a program or treatment to be successful, the presence of a dedicated, professional and culturally sensitive staff is of great essence; we commit to this objective by providing necessary support and supervision for all clinical and non-clinical staff.
