Member of Pro's 4 Charity Baltimore Chapter since 2014. PRO's 4 Charity is the collaborative effort of individual PROs coming together to solve the charitable deficiencies of a represented area. Our goal is simple: utilize our cultural influences to better the community through altruistic contributions to worthy causes. The goal's key byproduct is better relationships within our culture, as we unite several entities under common objectives. Events in the Baltimore community have included can food drives, American Red Cross blood drive, toiletry donations to the VA Hospital, toys for long-term patients at the University of Maryland Children's Hospital, back to school events, lunch and holiday dinner for the homeless community, and beautification of an elementary school.
