**EMAIL**: Careers@morgan.edu

The Center for Career Development is available to assist you with all aspects of career planning and will help you find experiential learning opportunities that are part of the Second Year Experience (SYE). The Center will assist you with identifying your skills, interests and values, exploring majors and occupations, perfecting your resume and cover letter, practicing your interviewing skills, as well as gaining real-world experience through internships and employment. Students should schedule an appointment to meet with a career specialist.

**PLEASE GO TO THE WEBSITE FOR THE FOLLOWING OPPORTUNITIES:**

[https://www.morgan.edu/student_affairs/center_for_career_development/for_students.htm](https://www.morgan.edu/student_affairs/center_for_career_development/for_students.htm)

**eBear**

Has current job postings online for you to publish your resume, apply for internships and jobs, and to participate in the on-campus recruitment program.

**GoinGlobal**

Conduct job searches, internship searches, and has an employer directory that allows you to search for companies by city, state, country and research a company’s annual sales and employment.
Vault
The vault has a career library with jobs and internship listings

Career Closet
The Center has the appropriate clothing available for important events such as job interviews, career and internship fairs

MyPlan-CAREER ASSESSMENT
MyPlan can help students explore options and bring clarity and insight into what’s right for you.
The Washington Center for Internships and Academic Seminars is an independent, nonprofit organization serving hundreds of colleges and universities in the United States and other countries by providing selected students challenging opportunities to work and learn in Washington, DC for academic credit. The largest program of its kind, The Washington Center has 90 full-time staff and more than 50,000 alumni, many of whom are in leadership positions in the public, private, and nonprofit sections.

The Thurgood Marshall College Fund (TMCF) in partnership with Altria is proud to announce the Altria HBCU Scholars Program to outstanding students currently in their sophomore year, with a minimum GPA of 3.0, and who will be graduating in May 2020. In addition to having the opportunity to develop key skills at a Top 50 company, you will have the opportunity to:

* Be awarded a need-based scholarship of $5,000 during your junior year and potential to receive an additional scholarship up to $10,000 based on individual financial need during your senior year
* Participate in the 2018 TMCF Leadership Institute in Washington, DC
* Participate in a 10-week internship with Altria during the summer
* Participate in an Altria HBCU Immersion experience in spring

The highly competitive program targets students in the following areas of study:
* Accounting
* Sales
* Engineering
* Manufacturing
* Technology
* Brand Management
* Consumer Insights and Engagement
