HBCUs & Philosophy IV: Race & Resistance

TIME: 9AM - 6PM
DATE: 4/7/2018

MORGAN STATE UNIVERSITY
Department of Philosophy & Religious Studies

This year's conference explores the role that inquiry, reasoning, and criticism play in the development of varied strategies of resistance among minoritized communities in the U.S. and abroad. Given the locale and context for the conference, we also explore these issues as they impact historically Black colleges and universities and their surrounding communities.
