

THE DEPARTMENT OF THE NAVY AND MORGAN STATE UNIVERSITY (MSU) EMPLOYMENT AND EDUCATION PROGRAM

**This is an Navy Employment Training Program that features a MSU
Master of Engineering (ME) in Cyber Engineering Degree**

The ME in Cyber Engineering is an One (1) year on Campus Academic Program

“This program will encourage professional development that includes cyber safe certificates, embedded/control systems engineering, data analytics and will address the areas of cyber cloud vulnerabilities, hardened infrastructure, trusted electronics, hardened control systems and hardware and software resilience”

NAVSEA is the civilian Engineering arm of the Navy with more than 20,000 engineers and scientist across the nation that design, build, and maintain ships, submarines, and combat systems for the Navy

www.navsea.navy.mil

Locations:

NSWC Carderock (Bethesda, MD)
NSWC (Crane, IN)
NSWC (Corona, CA)
NSWC (Dahlgren, VA)
NSWC (Indian Head, MD)
NSWC (Panama City, FL)
NSWC (Philadelphia, PA)
