

ADDENDUM TO STATEMENT ON UNSATISFACTORY ACADEMIC PERFORMANCE
(2010-2013 undergraduate catalog, p. 55)

**Students matriculating as first time freshmen will not be dismissed regardless of cumulative grade point average or number of credits earned during their first two semesters. No student shall be academically dismissed at the end of any semester during which he/she was registered for at least twelve (12) credit hours and earned a minimum of twelve (12) credit hours with a grade point average of 2.00 or better. Academic dismissal must be preceded by at least one semester of academic probation. All credit hours transferred to Morgan are included in the Attempted Credits totals in the above table when determining the category of academic performance. However, transferred credits are not included in computing the GPA.*
