43rd Annual
CAREER DAY
Wednesday
October 18, 2017
STEP UP.
STAND OUT.
LAND A JOB.

@MorganStateCCD

Division of Student Affairs  |  Center for Career Development (CCD)  |  C-224 Montebello Complex
443.885.3110  |  www.morgan.edu/careerdevelopment
CAREER FAIR TIPS

AT THE FAIR

1. Make a good impression:
   - Arrive early; employers are at their peak and there is less competition.
   - Dress professionally. Wear comfortable shoes. First impressions count!
   - Carry as little as possible (avoid coats or backpacks, etc.); turn off cell phones in the employer area.
   - Smile, make eye contact, and shake hands firmly and confidently. Introduce yourself with your full name, major, and graduation date.
   - Remember your body language...don't fidget or look around. Act interested, focused, and enthusiastic. Be friendly, assertive, mature, and sincere.
   - Don’t ramble. Provide a concise, well-prepared overall view of what you have to offer and your career interests.
   - Ask at least 2 intelligent questions of each organization, about such topics as: company mission, client base, internship or co-op opportunities, summer or part-time employment, full-time career paths, trainee programs, hiring procedures, etc. Keep in mind that employers will expect that you have researched and will not want to answer questions that are easily available on their website. **Note:** Don’t just drop your resume at the employer’s table. Try to get it into a recruiter’s hand. **If you cannot speak to the recruiter, look for a business card to contact him/her at a later time.**

2. Make things easier on yourself:
   - Network...while in line, talk to other students about recruiters they have spoken to already.
   - Speak clearly and loudly enough to be heard through the noise.
   - If provided, wear nametags prominently - list your name, class year, and degree. This will help employers remember you better.
   - Bring 20+ resumes in a folder or portfolio. You can separate resumes with different objectives for easy accessibility. However, be prepared to sell your skills and characteristics in person. Recruiters will remember their impression of you as much or more than your resume. **Note:** Many employers will direct you to apply online. If this is the case, know that the individual interactions that you have with the employer can be valuable as you will stand a better chance of being recognized when the recruiter reviews the online resumes later. Don't get discouraged if the recruiter does not take your resume. Use the time to make a positive impression and be memorable.
   - Bring something to carry company literature, business cards and giveaways.
   - Carry a pen and note pad.
   - Ask for the recruiter’s business card for follow up; take notes about each organization on the back of business cards that can help you recall your conversations with recruiters.

AFTER THE FAIR

3. Follow up with company representatives:
   - Organize company brochures and contact information so you can easily begin the process of following up with employers.
   - Mail or email a thank-you letter as soon as possible to each organization of interest to reinforce your good image, and include a copy of your resume.
   - Approximately 2 weeks after mailing the letters, call the recruiter to confirm receipt of your letter and to express your continued interest in the company and desire for an interview.
Congratulations to the Class of 2018!

The staff at the Center for Career Development welcomes you to our Annual Career Day. We have over 130 employers in attendance who are seeking the “best of the best” from Morgan State University. Be sure to review the profiles of the organization(s) that you are interested in, along with career fair tips included in this directory to ensure you make a great first impression. As you interact with the organizations, plan to discuss career opportunities that will be available to you immediately.

If graduate or professional school is in your immediate future, consider discussing your plans with the institutions that are represented.

You will also find Morgan State University alumni serving as representatives; be sure to look for the orange ribbons on their name tags. Think about it, what better way is there to enhance your own personal and professional development than to speak to individuals who have “been there, done that?”

As Morgan State University Alumni, you are still able to utilize the services of the Center for Career Development. Whether you are in the job market, exploring a career change, or considering graduate school, you can take advantage of a full range of services offered by the CCD. Visit our website for more details about our resources.

In closing, we wish you continued success as you pursue your career goals. Please share your success stories (#Bear2Succeed) with the CCD so you can serve as an inspiration to other Morgan students.

Sincerely,

Seana T. Coulter
Director

Earlene Goodson ’82
Associate Director

ACCOUNTING & FINANCE STUDENTS LOOKING FOR A CAREER?

Allan Myers is a vertically integrated heavy civil construction company and construction materials supplier strategically positioned in the mid-Atlantic region. Its network of regional offices, quarries and asphalt plants provides the framework to efficiently serve customers’ needs in markets from Philadelphia to Richmond. Established as a small hauling company in 1939, the company has grown into a regional leader in the industry, and is ranked annually in the top 150 nationally by Engineering News-Record.

Allan Myers provides customers with full-service solutions for site development, transportation and water-related projects. With approximately 2,000 employees working in Pennsylvania, Delaware, Maryland and Virginia, the company builds projects throughout the region for private developers, general contractors, DOTs and utilities, local and state governments, and federal and military customers.

OPPORTUNITY AT ALLAN MYERS

“Working at Allan Myers gives me the unique opportunity to combine my passion for construction with my knowledge of Accounting & Finance. The hands on experiences, along with the family atmosphere provided me with a strong foundation for my growth and development.”

- Matt McCloskey, Controller - Ursinus College, Class of 2002

WHAT CAN YOU EXPECT

As a Cost Accountant expect exciting, meaningful, fast paced work with the region’s leading heavy civil construction and materials company. At Myers our college hires get on-the-job-training, led by talented, passionate members of our team. You will receive unmatched exposure in the following areas:

- Generation & analysis of financial forecasts including construction project revenue.
- Auditing of contracts, change orders, vouchers and transactions.
- Analysis of data related to payroll, equipment, subcontracts, materials overhead.
- Preparation of profit and loss statements, and accounting reports.

LET’S BUILD YOU

Check us out at the 43rd Annual Career Day

ASRC Federal is looking for you to join our dynamic team supporting our contract at the NASA Goddard Space Flight Center (GSFC). Our team provides a broad range of engineering and related services to GSFC in support of current and future Space Flight and Ground Systems projects.

Students working toward and graduates with a Bachelor of Science degree in mechanical, electrical, computer or aerospace engineering, or equivalent disciplines from an accredited institution are encouraged to apply.

We are currently looking for personnel with skills in the following areas:

- Electrical Engineering
- RF and Microwave Engineering
- Systems Engineering
- Ground Systems Engineering
- Mechanical Engineering
- Software Engineering
- Packaging/Manufacturing
- Detectors/Instrument Engineering
- Finance and Administration

Benefits include:

- 401(k) with generous company match and immediate vesting
- Comprehensive health, dental, vision, life and disability insurance
- Generous paid time-off benefits
- Available telework
- Career-oriented education assistance

Apply today to start your career and define tomorrow with us!

Interested applicants should go to www.asrcfederal.com, click on Careers and apply to Requisition ID No. 17001977, or send resumes directly to Charlotte Griffin at Charlotte.Griffin@asrcfederal.com.

As an ASRC Federal employee, you are the foundation of our enterprise. Because of you, ASRC Federal and its subsidiaries have the capabilities to provide reliable and innovative solutions to our federal government customers and industry partners. We want to take care of you so that you can take care of our customers.

Customer-Focused. Operationally Excellent.

Launch your career with an Internship at McCormick & Company!

At McCormick, you’ll have the opportunity to “Bring the Joy of Flavor to Life” and fulfil your desire to be a part of something bigger than yourself. Employees throughout our global corporation are united by two things - a passion for flavor and driving results. People are drawn to McCormick because of a culture that challenges them to reach their full potential.

Our 10-week Summer Internship Program in Hunt Valley, MD allows college students to get a glimpse into what it’s like to be a part of the McCormick family - rich in flavor, culture, and employee empowerment.

During your time as an Intern you will sharpen your leadership skills, work on real-world challenges, and collaborate with the best leaders in the industry. You will also have the opportunity to network with executives, participate in social events with other interns, and give back to the community. We are looking for the next generation of problem solvers to drive change within McCormick.

Are you up for the challenge?

McCormick’s Summer 2018 Intern Program includes opportunities in the following areas:

- Information Technology
- Engineering
- Supply Chain
- Research & Development

To view our openings, please check out our career site in mid-September, and apply online:
