MORGAN STATE UNIVERSITY
THE CENTER FOR CAREER DEVELOPMENT

THE 45TH ANNUAL
CAREER DAY 2019

WEDNESDAY | OCTOBER 16
10:00 AM - 3:00 PM

Talmadge L.
Hill Field House
1700 East Cold Spring Lane, Baltimore, MD 21251

PLUS
One-on-One interviews with top-notch employers
Congratulations
Class of 2020!

The staff at the Center for Career Development welcomes you to our 43rd Annual Career Day. We have over 130 employers in attendance who are seeking the "best of the best" from Morgan State University. Be sure to review the profiles of the organization(s) that you are interested in, along with career fair tips included in this Directory to ensure you make a great first impression. As you interact with the organizations, plan to discuss career opportunities that will be available to you immediately.

If graduate or professional school is in your immediate future, consider discussing your plans with institutions that are represented.

You will also find Morgan State University alumni serving as representatives; be sure to look for the orange ribbons on their name tags. Think about it, what better way is there to enhance your own personal and professional development that to speak to individuals who have "been there, done that!"

As Morgan State University Alumni, you are still able to utilize their services of the Center for Career Development. Whether you are in the job market, exploring a career change, or considering graduate school, you can take advantage of a full range of services offered by the CCD. Visit our website for more details about our resources.

In closing, we wish you continued success as you pursue your career goals. Please share your success stories (#Bear2Succeed) with the CCD so you can serve as an inspiration to other Morgan students.

The Center for Career Development provides assistance to students and alumni in the career decision-making process. We provide assistance through career assessments, counseling (individual advising/counseling) and experiential learning opportunities, a career resource center for obtaining career information and researching employers, developing job seeking skills through seminars and individualized preparation, planning and executing a targeted job search, providing opportunities to interview with employers; access to job fairs and career days sponsored by Morgan State University and other organizations in the region. We also assist students and alumni with graduate school planning and connecting job seekers to employers, while providing the tools needed to be competitive and successful in today’s global market.

**Exceptional people. Exceptional contributions.**

When your goal is to provide exceptional service to the nation, you need exceptional people. That’s why Sandia National Laboratories seeks out team members whose principles, perspectives, and outlook can contribute to game-changing solutions. We value the qualities that make our people unique—and know that what makes each person different makes all of us stronger.

Visit [sandia.gov/careers](http://sandia.gov/careers) to learn more about an exceptional career at Sandia and how you can add to our legacy of discovery, innovation, and achievement that has enhanced the well-being and security of people all over the world.

**World-changing technologies. Life-changing careers.**

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or veteran status.

Sandia National Laboratories is a multimission laboratory managed and operated by National Technology and Engineering Solutions of Sandia, LLC., a wholly owned subsidiary of Honeywell International, Inc., for the U.S. Department of Energy’s National Nuclear Security Administration under contract DE-NA-0003520. S402018-0047145
