7. When the fair starts, go to the Employer tab and search and filter to find employers of interest.

8. You can express interest in an employer by clicking on the star icon, which bring them to the top of your list. Employers can filter candidates using this expression of interest in the virtual career fair resume database.

9. Click on the employer to view company profile and positions they are recruiting for.

10. You can speak to employers in 1-on-1 video chats by clicking on Join Queue. The employers who you are waiting for will show up under Upcoming Chats along with estimated wait times.
