

SEARCH AGENCIES FOR LONG-TERM HOUSING

Apartment Guide.com **www.apartmentguide.com**

This website is the Apartment Shopper's Guide Online. Search for housing regionally or nationally.

Apartment Locators **1-888-612-7868** **www.southernmanagement.com**

This is a *FREE* locator service operated by Southern Management Corporation (SMC), with listings including SMC and non-SMC communities. This service can inform you of vacancies at area properties in MD, DC, and VA.

Apartment Ratings.com **www.apartmentratings.com**

This website offers ratings from actual tenants. A roommate finder service is also provided, as well as information on renter's insurance, moving, finances, and a lot more!

Apartments.com **www.apartments.com**

The website is easy to use and features virtual tours of some properties. Listings provided online. Both Spectrum Apartment Search and Washington-Post.com use this website.

Equity Apartments **1-800-591-9483** **www.equityapartments.com**

With this *FREE* apartment referral service only Equity Residential Properties (located in MD and Northern VA) are represented in the database. Customer service representatives provide information on communities that meet your search criteria, but you are responsible for contacting each community. The website includes lots of information beyond housing, including information about the state, military housing, pet info, and general info about moving.

The Gazette **www.gazette.net** **(Classifieds)**

Search for all types of housing by county and/or city. A roommate list is also maintained by the site.

www.move.com This online rental guide allows the user to specify search criteria (location, rental size, price range, a number of property and community features, etc.). There is useful information for first-time renters including legal information, and roommate advice.

1-800-APARTMENT
