Available Format Types

Below, find possible formats that the Maryland Accessible Textbook (MAT) Program can potentially provide as alternative text formats.

Please indicate the format type that is most beneficial for you. Please contact our office if you have any questions regarding the format type (Lisa Chester 410-230-2447).

- MP3 (audio)
- Digital Talking Book (DTB): DAISY Format 3.0, with text and MP3
- Digital Talking Book (DTB): DAISY Format 3.0, with text only
- Digital Talking Book (DTB): DAISY Format 2.02, with text and MP3
- Digital Talking Book (DTB): DAISY Format 2.02, with text only
- Microsoft Word document, formatted with headings
- Large Print

Please note that this serves as a preference. If possible, the MAT Program will provide the text in that format; if not, a comparable, accessible format will be used. The textbook will be accompanied by an explanation email stating any necessary instructions or descriptions of the text and use thereof. The MAT Program will keep this preference on file.
