

ALL-YEAR ROUND PELL GRANT

Effective for the 2017-2018 school year, eligible students can receive additional Pell Grant funds for the summer semester. This is called "Year-Round Pell." This means that even if a student already received a full Pell Grant during the fall and spring semesters, the student may qualify for an additional Pell grant during the summer semester as well!

To be eligible for the additional Pell Grant funds, a student must be registered at least halftime for the summer semester (**6 credit hours**). All Pell Grant funds received will count towards the student's Pell Grant duration of eligibility and Lifetime Eligibility Used (LEU). If the student fails to remain enrolled at least halftime for the summer semester, the additional Pell Grant funds will be removed.

Please understand that the additional Pell Grant may not cover your complete cost and you will be responsible for covering the difference. Visit the Office of Financial Aid for more information.

Here's an example of the year-round Pell in action:

Please understand that the Pell Grant lifetime limit has not been increased. The maximum is still 600%.
