

Grants Management RFA Perspective

Office of Research Administration

Origin of New Awards

Growing the Future, Leading the World

Individuals with Binding Authority for Morgan

- President David Wilson
- Executive Vice President of Finance and Management Mr. Sidney Evans
- The President has given Dr. Willie May some latitude in binding the university for certain grants and contracts
- Under no circumstances should a PI sign a grant or contract binding the University

HOW DO WE RECEIVE NEW AWARDS?

- Usually we receive a fully-executed agreement or some other acknowledgement letter from Mr. Matthew Lee
- For NSF Grants, we receive an acknowledgement from Dr. Kamangar
- Some cases, the PI will provide us with information about a grant
- The Agency may let us know about the award (often state grants)
- No matter the source of the grant, all agreements need to go through Office of Research Administration

At This Point Dr. Isuk Has a New Award Meeting

Attendees Include:

- Dr. Isuk
- Mr. Matthew Lee, Contracts Administrator for ORA
- Ms. Lucy Manyara, Budget Officer for ORA
- Ms. Sharon John, Effort Reporting Manager
- Denise Bowers and/or Jeffrey Copeland from RFA
- PI receiving their new award
- Budget Officer and/or Administrative Staff from School or Department

P-Card

Having successfully gained access to your grant, the P-Card will help expedite purchases for the PI on their project:

- ✓ If you have any existing P-Card, reach out to Ms. Elizabeth Ransom (x4565) or Kesa Bower (x) to complete the requisite paperwork to add your grant to the existing P-Card
- ✓ If this is your premier P-Card, or you have not had one for a while, you will need to complete P-Card forms and attend their workshop (due to Covid issues, this meeting is held virtually)
- ✓ P-Card charges are usually uploaded on or around the 25th of the month and you usually have until the end of the first week of the month to allocate your charges and hand in your log
- ✓ Ensure you do not make prohibited purchases
- ✓ No split transactions (your card will be suspended for 45 days per GAD)
- ✓ Electronic purchases should go through IT (compatibility, hacking risk)

Sub-Awards to Morgan State University

Mr. Matthew Lee is the Sub-Award Guru and you can review his insights from a presentation on

- ❖ Just like a direct award from an agency
- ❖ It will help RFA if we have the PO # for invoicing purposes

Sub-Awards from Morgan State University

- ❑ It is of paramount importance that we send our sub-recipient the PO number and they submit all invoices to msuap@morgan.edu
- ❑ When setting up purchase orders for the sub-recipient(s) we use the following dedicated accounts:
 - ❑ 08191 Lame Duck University
 - ❑ 08192 One Foot on a Banana Peel College
 - ❑ Banner can currently accommodate 5 more sub-recipients on a grant (through 08197)
 - ❑ Should you determine you have more than seven subs, please reach out to RFA or, ultimately, the Comptroller's Officer (Mr. O'Brien)
- ❑ The PO number must be on the Sub-Awardee's Invoice
