What Is PIVOT?

Pivot-RP is a comprehensive database of funding opportunities for research and for collaborators across all disciplines.

All faculty, staff, and students at Morgan State University have free access to this resource.

OBJECTIVES

Pivot-RP is used to identify funding opportunities and view scholarly profiles. Participants will learn:

❑ how to set up researcher profile and/or claim profile

❑ how to search Pivot for funding opportunities

❑ how to locate/network with researchers with common research interests (collaborators)

Funding Search

To conduct a search query,

1. Click the *Funding* tab in the top left-hand corner.

2. Use either the Basic Search function (selected by default) or the Advanced Search function:

   Basic Search – Enter your keywords in the search textbox. Use quotation marks and Boolean operators such as AND and OR when entering multi-word terms. To search for opportunities from a specific sponsor, click **Search by sponsor** above the search textbox. Then enter the sponsor name. To narrow or widen your search, click *All sponsors, U.S. Federal,* or *Non-U.S. Federal* underneath the search textbox.

Funding Search, cont'd

Advanced Search – Click *Advanced Search* below the search textbox. On the page that appears, add keywords and additional parameters—such as Amount and Sponsor Type.

Refine a Search Query

After viewing the results of your query, you can refine it (i.e., change keywords, add/subtract search parameters) to get more or fewer results. To do this,

1. Click *Refine Search* toward the top of your results page.

2. This link returns to the search page displaying the initial criteria selected. From here, change any keywords and parameters. Then, click *Search* to launch your refined search.

Save And Retrieve A Search

Save a Search Query

You can save your search query so that you do not have to remember the combination of keywords and parameters that you selected. Note: This function is available only if you are signed into your account.

1. On the page that displays your search results, click *Save Search.*

2. A *Save your search* window will appear, prompting you to name the search query and to select whether you want to receive a weekly email alert containing updates to the search.

3. After responding to these two items, click *Save.*

Retrieve a Saved Search Query

To retrieve a saved search query for possible updates, sign into your account. Then,

1. Click *Saved Searches* from among the links displayed in the left-hand column, "My Funding Opportunities".

2. A list of your saved search queries will appear. Select the desired search query to rerun it for updates.

Share A Search Result

Share the Results of a Saved Search Query

To share the results of a saved search with colleagues, sign into your account. Then,

1. Click *Saved Searches* in the left-hand column, "My Funding Opportunities"

2. A list of your saved searches will display. Click *Options*, which appears to the right of the search query you want to share.

3. A dropdown menu will appear from the *Options* link; choose *Share* from this menu.

4. A "Share" window will appear, prompting you to provide the email address(es) of the recipient(s) with whom you want to share the search query. You can also include a brief message.

5. Click ***Send.***

Search for Collaborators

Search for Collaborators

To search for collaborators,

1. From your Pivot Dashboard conduct a search.

2. Click on a desired search opportunity

3. This takes you to a page with details of the opportunity and gives the number of **Potential Collaborators** inside MSU or outside MSU, on the right hand side.

4. Click on either Group and you will see a list of potential collaborators for that opportunity in that Group.
