

The following is a list of recommended General Education courses for you to enroll in at your community college. Some courses, such as your Mathematics course, may differ depending on your intended major. Please consult with your MSU transfer coordinator at tsp@morgan.edu, if you are unsure about any of your courses.

We encourage you to reach out to your community college transfer coordinator at Montgomery College (MC), Dr. Denise Simmons Graves at denise.graves@montgomerycollege.edu. For additional resources, please visit Harford's [Transfer Planning](#) page.

Please be advised General Education courses taken at your community college will transfer and satisfy MSU's General Education requirements per COMAR (Code of Maryland Regulations) on [General Education Requirements for Public Institutions](#).

Note: MSU will accept up to 70 credits from MC. Students have the option to remain at MC for the completion of the designated Associate degree program and apply for admission as a regular transfer student.
