

The following is a list of recommended General Education courses for you to enroll in at your community college. Some courses, such as your Mathematics course, may differ depending on your intended major. Please consult with your MSU transfer coordinator at tsp@morgan.edu, if you are unsure about any of your courses.

We encourage you to reach out to your community college transfer coordinator at the Wor-Wic Community College (WWCC), Rhoda Lukens at academicadvising@worwic.edu. For additional resources, please check WWCC's [Transfer Resources](#) page.

Please be advised General Education courses taken at your community college will transfer and satisfy MSU's General Education requirements per COMAR (Code of Maryland Regulations) on [General Education Requirements for Public Institutions](#).

Note: MSU will accept up to 70 credits from WWCC. Students have the option to remain at WWCC for the completion of the designated Associate degree program and apply for admission as a regular transfer student.

Please view WWCC's General Education Requirement courses here:
