CODE OF STUDENT CONDUCT
(Approved by the Board of Regents February 5, 2019)

This Code of Student Conduct ("Code") does not govern misconduct involving academic dishonesty. Please refer to the Policy on Academic Dishonesty in the University Catalog.

TENETS OF STUDENT CONDUCT PROGRAM

To regard each student as an individual, deserving individual attention, consideration, and respect.

To consider the facts fully and carefully before resolving any case.

To speak candidly and honestly to each student.

To hold each student to a high standard of behavior, both to protect the campus community, and to promote student moral development.

To contribute to the educational mission of the University by designing policies, conducting programs, and offering instruction that contribute to the intellectual and moral development of the entire student body.

I. RATIONALE

A. The primary purpose of the imposition of discipline in the University setting is to protect the campus community. Consistent with that purpose, reasonable efforts will also be made to foster the personal and social development of those students who are held accountable for violations of University regulations.¹

II. DEFINITIONS

A. When used in this Code:

1. "Aggravated violation" means a violation that resulted in or it was foreseeable that it could have resulted in significant damage to persons or property or which otherwise posed a substantial threat to the stability and continuance of normal University or University-sponsored activities.
2. "Appellate Board" means any person or persons authorized by the Vice President for Student Affairs or designee to consider an appeal from a judicial body's determination that a student has violated the Code.
3. "Charged Party" means a student or student organization charged with violating the Code.

¹ The University is not designed or equipped to rehabilitate or incapacitate persons who pose a substantial threat to themselves or to others. It may be necessary, therefore, to remove those individuals from the campus and to sever the University's relationship with them, as provided in this Code and by other University regulations. Any punishment imposed in accordance with the Code may have the value of discouraging the offender and others from engaging in future misbehavior. In cases of minor disciplinary violations, the particular form of punishment may also be designed to draw upon the educational resources of the University in order to bring about a lasting and reasoned change in behavior. The underlying rationale for punishment need not rest on deterrence or "reform" alone, however.

4. "Complainant" means an individual who experienced the reported Prohibited Conduct, regardless of whether that individual made the report, participated in the University's investigation, or filed a formal complaint alleging violations of this Code. If an individual who experienced Prohibited Conduct chooses not to file a formal complaint, the University may at its discretion initiate an investigation and serve as the Complainant in any proceeding under this Code.
5. "Conduct Board" means any person(s) authorized by the Vice President for Student Affairs or designee to determine whether a student has violated the Code.
6. "Conduct Officer" means "Chief Judicial Officer" or "Judicial Coordinator"
7. "Distribution" means sale and/or exchange.
8. "May" is used in the discretionary sense.
9. "Notice of Violations of Code of Student Conduct" means that students or student organizations alleged to have violated the Code shall be provided with a Notice of Violation of the Code of Student Conduct ("Notice") and shall be required to report to the Office of Student Rights and Responsibilities (hereinafter referred to as "Office") within five (5) business days of receipt of the Notice.
10. "Not responsible" means found not to have violated the Code.
11. "Possession" means the exercise of actual or constructive dominion over a thing by one or more persons.
12. A "Preponderance of evidence" means more likely than not.
13. "Presiding Officer" means a conduct board member with voting authority who coordinates the orderly administration of a hearing, including, but not limited to, insuring that the hearing is conducted in accordance with the Code, making rulings on objections in consultation with other board members, sequestering witnesses, and administering an oath.
14. "Reckless conduct" means action which a reasonable person should know creates a clear risk of harm to persons or property, or would disrupt the lawful activities of others, including studying, teaching, research and university administration.
15. "Registered Campus Organization" means a recognized group of persons who have complied with University requirements for registration.
16. "Remand" means to send a case back to the original hearing body for additional proceedings.
17. "Responsible" means found to have violated the Code.
18. "Shall" is used in the mandatory sense.
19. "Sanction" means a penalty for a violation of the Code.

20. "Student"² means all persons who are admitted, taking or scheduled to take courses at the University, both full-time and part-time, pursuing undergraduate, graduate, post graduate, or professional studies. Persons who are not enrolled at the University for a particular term but have a "continuing relationship"³ with the University are considered students.
21. "Student Organization" or "Student Group" means a group of students who are officially recognized by the University as a student organization or student group that serves a purpose, benefits the University and fosters relationships with the entire campus and the surrounding community.
22. "Trier of Fact" can be: (1) the Vice President for Student Affairs, or his/her designee; (2) the Conduct Board; or (3) Ad Hoc Boards
23. "University" means Morgan State University.
24. "University Premises" means buildings or grounds owned, leased, operated controlled or supervised by the University.
25. "University-Sponsored Activity" means any activity on or off campus that is initiated, aided, authorized or supervised by the University.
26. "Weapon" means any object, substance or chemical used to inflict a wound, cause injury, or incapacitate.
27. "Will" is used in the mandatory sense.

III. INTERPRETATION OF REGULATIONS - Disciplinary regulations at the University are set forth in writing in order to give students general notice of Prohibited Conduct. The regulations should be read broadly and are not designed to define every instance of misconduct.

IV. APPLICABILITY OF THE CODE

This Code shall apply to conduct that occurs:

- i.) on University premises;
 - ii.) at sponsored or sanctioned activities on or off campus; and
 - iii.) off-campus non-University sponsored activities or events,
- that adversely affect the University Community and/or the pursuit of its objectives. Specifically, this Code shall apply and each student and student organization shall be responsible for their conduct that occurs as set forth immediately above in (i), (ii) or (iii) from the time of a student's application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded). The Code shall apply to a student's conduct even if the student withdraws from school while a disciplinary matter is pending.

² Former students may be charged for violations that allegedly occurred during their enrollment at the University.

³ A continuing relationship may include but not be limited to a student who is on winter or summer break.

For conduct that occurs off-campus at non-University sponsored activities or events, the Chief Judicial Officer shall decide whether the Code shall be applied to such conduct on a case by case basis, in their sole discretion. The University will take disciplinary action against a student or student organization for such an off-campus offense when a student or student organization violates city, state, or federal law, or University policy when the nature of the offense is such that in the judgement of the Chief Judicial Officer:

- i.) the continued presence of the student or student organization on campus is likely to interfere with the educational affairs process or the orderly operation of the University;
- ii.) the continued presence of the student or student organization on campus is likely to endanger the health, safety or welfare of the University community or is intimidating or threatening to another individual within the University community; and/or
- iii.) the offense committed by the student or student organization is of such a serious nature as to adversely affect the student's or student organization's suitability as a member of the University community.

- V. **STUDENT PARTICIPATION** – Students are asked to assume positions of responsibility in the University student conduct system in order that they might contribute their skill and insights to the resolution of disciplinary cases. Final authority in disciplinary matters, however, is vested in the University administration.
- VI. **VIOLATIONS AND DISCIPLINARY REGULATIONS** – Students and student organizations may be accountable to both civil authorities and to the University for acts that constitute violations of federal, state, or local laws. Disciplinary action at the University will normally proceed even if criminal proceedings are pending. The outcome of a disciplinary action will not be subject to challenge on the ground that criminal charges involving the same incident have been dismissed or reduced.
- VII. **PROHIBITED CONDUCT** - All misconduct, including, but not limited to, the Prohibited Conduct listed hereafter, is subject to disciplinary action. Attempts to commit acts prohibited by this Code shall be punished to the same extent as completed violations.

XI. HEARINGS

STANDARDS OF DUE PROCESS - A student or student organization who is alleged to have engaged in conduct in violation of the Code shall be provided with notice of the alleged allegations and an opportunity to be heard. Disciplinary proceedings shall determine whether a Charged Party is responsible or not responsible for violating the Code or other University regulations. The Office of Student Rights and Responsibilities will determine the method of adjudication. Formal rules of evidence shall not be applicable, nor shall deviations from prescribed procedures necessarily invalidate a decision or proceeding, unless significant prejudice to a student Charged Party or the University may result. Hearings or other proceedings as provided in the Code may be held before the following triers of fact, who are responsible for hearing evidence presented during a hearing and, based on that evidence, determining whether the Charged Party has committed the alleged violation of the Code:

1. VICE PRESIDENT FOR STUDENT AFFAIRS OR DESIGNEE (trier of fact)
2. CONDUCT BOARD hears cases involving disciplinary violations of the Code. The Conduct Board is composed of three to five (3-5) students. The Chief Judicial Officer shall designate a presiding officer.
3. AD HOC BOARDS may be appointed by the Vice President for Student Affairs or a designee when a Conduct Board is unable to obtain a quorum or is otherwise unable to hear a case. Each Ad Hoc Board shall be composed of three members, including at least one student. The Chief Judicial Officer shall designate a presiding officer.

XII. SELECTION AND REMOVAL OF CONDUCT BOARD MEMBERS

XIII. CASE REFERRALS

A. Any person may refer a student or a student group or organization suspected of violating this Code to the Office of Student Rights and Responsibilities. Persons

making such referrals are expected to cooperate fully with the Office of Student Rights and Responsibilities. It is very important that persons making such referrals provide detailed and complete information pertinent to the referred matter. In addition, persons making such referrals may be needed to appear in a hearing.

B. If the Office of Student Rights and Responsibilities preliminarily determines that the allegation has merit and the alleged conduct is a violation of the Code, specific charges shall be drafted and referred for a hearing or conduct conference.

XIV. HEARING REFERRALS

Notice of Violations of Code of Student Conduct – Students and student organizations alleged to have violated the Code shall be provided with a notice of Violations of Code of Student Conduct ("Notice") and are required to report to the Office of Student Rights & Responsibilities within five (5) business days of receipt of the Notice for a Conduct Conference. Any of the following methods may be used to provide a student with notice:

1. Hand-delivered and the deliverer will execute an Affidavit which verifies the delivery to the student or to the student organization representative.
2. Sent to student's or the student organization representative's official University E-mail address and a delivery receipt and read receipt are confirmed (and placed in the student's or the student organization's file) which documents the receipt of the message by the addressee.
3. Delivered by certified, return receipt requested first class mail and return receipt, signed by the student or the student organization representative, is returned to the sender and placed in the student's or the student organization's file.

If methods 1-3 do not successfully result in documentation or receipt by the student organization representative, then the University shall mail on the same date an identical notice to the student organization representative's local-to-campus address by first class mail and correspondence will be deemed delivered and received by the student organization five (5) working days after mailed.

Note: A student is required to maintain their University/local and permanent mailing addresses with the Office of Records and Registration and check their University E-mail account for news and information. Failure to do so may result in the student not receiving routine, critical or urgent correspondences and to be held responsible for the content of certain notices.

XV. CONDUCT CONFERENCE - In this conference, the student and student organization has the following options:

- A. Student and Student Organization Waiver Of Hearing When Student or Student Organization Does Not Dispute The Charges - When the Charged Party does not dispute the facts upon which the charge(s) are based, pleads "responsible" to the alleged code violations and executes a written waiver of the hearing procedures, the Conduct Officer shall assess a sanction that is appropriate to the charge(s). The student or student organization may present any mitigating evidence at this time. The student or student organization shall be informed in writing of the action taken. Where the sanction of suspension (greater than one year) or expulsion may be imposed, then this option is not available. Where the sanction of suspension of

one year or less may be imposed, a student or student organization may waive a hearing.

- B. Hearing - The following procedural guidelines shall be applicable in disciplinary hearings:
1. A Charged Party shall be given notice of the hearing date and the specific charges against them at least five (5) business days in advance.
 2. The Chief Judicial Officer shall issue notices requesting the appearance (Notice to Appear) of witnesses at the hearing. Notices to Appear are issued upon the request of either party (Charged Party or the University) or a board member. All lists of witnesses for hearings must be submitted to the Chief Judicial Officer at least five (5) business days in advance of the hearing. Witness testimony is important to the effective administration of a hearing. Witnesses are expected to appear.
 3. The Vice President for Student Affairs, or designated Conduct Officers are Prohibited from serving as witnesses during a hearing due to their responsibilities for managing the adjudication process.
 4. Charged Party who fails to appear after proper notice shall be deemed to have failed to comply with directives of University officials, which may result in further disciplinary action pending against him/her. Disciplinary Hearings may be held in the absence of a properly notified Charged Party.
 5. Hearings will be closed to the public, except for the Charged Party's advisor or the alleged victim in the particular case. Upon approval and within the sole discretion of the presiding officer, other persons may be permitted to attend. An open hearing may be held, at the discretion of the presiding officer, if requested by the Charged Party.
 6. The presiding officer of each board shall exercise control over the proceedings to avoid needless consumption of time and to achieve the orderly completion of the hearing. Except as provided in this Code, any person, including the Charged Party, who disrupts a hearing, may be excluded by the presiding officer.
 7. A hearing may be tape recorded or transcribed. If a recording or transcription is not made, the decision must include a summary of the testimony and shall be sufficiently detailed to permit review by appellate bodies and by staff members in the Office of Student Rights and Responsibilities.
 8. Any party may challenge a board member on the grounds of personal bias. Board members may be disqualified upon majority vote of the remaining members of the board, conducted by secret ballot, or by the Chief Judicial Officer.
 9. Witnesses shall be asked to affirm that their testimony is truthful and may be subject to charges of providing false information to the University.
 10. Prospective witnesses, other than the Charged Party, shall be excluded from the hearing during the testimony of other witnesses. All parties, witnesses, and the public shall be excluded during board deliberations
The burden of proof shall be upon the University, which must establish the responsibility of the Charged Party by a preponderance of the evidence.
 11. The presiding officer of each board shall give effect to the rules of confidentiality and privileges, but shall otherwise admit all matters into evidence that reasonable persons would accept as having probative value in the conduct of their affairs. Unduly repetitious or irrelevant evidence may be excluded.
 12. A Charged Party shall be accorded an opportunity to question those witnesses who testify for the University at the hearing.
 13. An affidavit may be admitted into evidence unless unsigned or if other

circumstances suggest that, it is unreliable.

14. Board members may take judicial notice of matters that are within the general experience of University students.
15. Board advisors may be designated by the Chief Judicial Officer. Board advisors may comment on questions of procedure and admissibility of evidence and will otherwise assist in the conduct of the hearing. Board advisors will be accorded all the privileges of board members, and the additional responsibilities set forth in this Code, but shall not vote. Board advisors are responsible to the Chief Judicial Officer and shall not be excluded from hearings or board deliberations by any board or by the presiding officer of any board.
16. The Chief Judicial Officer may appoint a "special presiding officer" to any board in complex cases or in any case, in which an attorney advises the respondent. Special presiding officers may participate in board deliberations but shall not vote.
17. A determination of responsibility shall be followed by a supplemental proceeding in which either party and the board advisor may submit evidence or make statements concerning the appropriate sanction to be imposed.
18. Final decisions of all judicial boards shall be by majority vote of the members present and voting. A tie vote will result in a recommendation of non-responsibility in an original proceeding. A tie vote in an appellate proceeding will result in an affirmation of the original decision.
19. Final decisions of all disciplinary hearings shall be accompanied by brief written findings of fact.

XVI. ADVISORS - A charged student or student organization may have present at a hearing an advisor who will not serve as a witness. The advisor may not speak or present the student's case, but may provide the student with advice during the course of the proceeding. Official notices will be sent to a Charged Party, not their advisor. Students or student organizations that are charged with Code violations are responsible for maintaining direct communication with the University and the Office of Student Rights and Responsibilities. Any request, or questions pertaining to the Code are to be made directly by the charged student or student organization representative. The University will respond to the charged student or charged student organization during the adjudication process.
