

CLEP

CLEP credit shall not be substituted for any course taken at Morgan State University for which the student received a failing or unsatisfactory grade. CLEP scores for tests taken while matriculating at Morgan shall not be accepted for credit, unless prior approval was granted by the Dean. CLEP credit will be treated as transfer credit without a grade, will count toward graduation and may be used in fulfilling specific curriculum requirements.

- No more than twenty-four (24) hours of credit can be received through CLEP tests for both general and subject examinations combined.
- Credit will be granted to students achieving scores of 50% or more on the general exams.
- Morgan will accept for college credit the mean score (or above) achieved by students in the national norm groups who earned grades of “C” in comparable courses.
- No credit may be granted for CLEP tests which are repeated. If a student fails a CLEP test, then retakes the test, the student may not receive credit even if the subsequent score meets criterion.
- CLEP credit will be entered on the student’s Morgan transcript as transfer credit.
- Credit will be granted only when an official CLEP score report is sent directly from the College Board.
