Student Name:

The following list is an abbreviated list of academic restrictions. Be advised this is not a complete list. Please refer to the *Graduate Catalog* and to the *Graduate Programs in Architecture Student Guidelines* for a more comprehensive explanation of academic requirements. Requirements are subject to change.

1. All students must meet the prerequisites requirements for each course.
2. All students are required to pass Comprehensive Design Review before proceeding to ARCH.550 Architectural Design V. For students required to take ARCH.545 Comprehensive Design Studio, these 6 credit hours are in addition to the normal credit hour requirement.
3. Students on academic probation may not register for ARCH.771 or ARCH.772.
4. Minimum of one elective in non-architectural course content is required.
More than one is recommended.
5. No more than two internship courses (ENST 714 or ENST 715) for credit are allowed.
6. Graduate students may not take more than 15 credits per semester.
7. Students may not take more than 6 credits of supervised research under ENST 738 or special topic seminar classes under ENST 788/789, unless by permission of the Program Director. Refer to Graduate Program in Architecture Student Guidelines for details.
8. All students must meet with their academic advisor prior to the start of each new semester. Students not complying will not be allowed to attend classes.
