

Revised: March 28, 2022

CURRICULUM VITAE

Name: Kimberly R. Warren, Ph.D.

Business Address: Morgan State University
Department of Psychology
Behavioral Social Sciences Center Room 433
1600 Havenwood Road
Baltimore, Maryland 21218

Phone Numbers: (443) 885-3492 (work office)

E-mail Address: kimberly.warren@morgan.edu (work)
kwarren@steamabroad.org (non-profit)

Education:

Ph.D. May 2006
Behavioral Medicine/Human Services Psychology
University of Maryland Baltimore County

M.A. May 2003
Behavioral Medicine/Human Services Psychology
University of Maryland Baltimore County

B.A. Dec 1996
Psychology
University of Maryland Baltimore County

Professional Positions:

Aug 2016-present Associate Professor, Tenured
Morgan State University, Department of Psychology

Aug 2011-May 2016 Assistant Professor (tenure track)
Morgan State University, Department of Psychology

July 2013-present Adjunct Assistant Professor (part-time/volunteer)
*University of Maryland, Baltimore, School of Medicine,
Department of Psychiatry/Maryland Psychiatric Research Center,
Treatment Research Program*

June 2012-July 2013 Assistant Professor
*University of Maryland, Baltimore, School of Medicine,
Department of Psychiatry/Maryland Psychiatric Research Center,
Treatment Research Program*

Revised: March 28, 2022

Sept 2008-June 2012	Faculty Research Associate <i>University of Maryland, Baltimore, School of Medicine, Department of Psychiatry Maryland Psychiatric Research Center, Treatment Research Program</i>
Aug 2010-May 2012	Adjunct Professor (part-time) <i>Stevenson University, Department of Psychology</i>
Aug 2006-May 2010	Adjunct Professor (part-time) <i>University of Maryland, Baltimore County, Department of Psychology</i>
May 2005-Sept 2008	Research Manager <i>University of Maryland, Baltimore, School of Medicine, Department of Psychiatry Maryland Psychiatric Research Center, Outpatient Research Program Neuropsychology Department- James M. Gold, Ph.D.</i>
Oct 2004-Sept 2005	Senior Research Program Coordinator/Supervisor <i>Johns Hopkins University, Johns Hopkins Medical Institutions Department of Radiology- Dean F. Wong, M.D., Ph.D.</i>
Jan 2001 – Aug 2002	Research Assistant (part-time) <i>University of Maryland Baltimore County Department of Psychology- Zoe S. Warwick, Ph.D.</i>
May 2000 - Jan 2002	Neuroscience Technician (part-time) <i>University of Maryland, Baltimore, School of Medicine, Department of Psychiatry Maryland Psychiatric Research Center, Neuroscience Research Center Basic Neuroscience Department- James Koenig, Ph.D.</i>
Oct 1999 - Oct 2004	Study Manager/Research Assistant <i>Walter Reed Army Institute of Research, Department of Behavioral Biology, Division of Neuropsychiatry</i>
Aug 1999 - May 2000	Neuropsychological Assessment Research Assistant (part-time) <i>University of Maryland, Baltimore, School of Medicine, Department of Psychiatry Maryland Psychiatric Research Center, Outpatient Research Program Neuropsychology Department- James M. Gold, Ph.D.</i>
Aug 1997 - Feb 1999	Study Coordinator/Research Assistant <i>University of North Carolina at Chapel Hill Department of Psychiatry- Jeffrey A. Lieberman, M.D.</i>

Revised: March 28, 2022

Aug 1995 - June 1997 Research Assistant/Data Analyst
*Walter Reed Army Institute of Research, Department of
 Behavioral Biology, Division of Neuropsychiatry*

Consulting and Other Positions:

Aug 2020-present President
 STEAM Abroad, Inc. non-profit organization for study abroad

Sept 2014 – May 2019 Private Tutor
 College/High School/Middle School
 Statistics/Math/History/Psychology/English
Howard County, MD

Oct 2003 – Aug 2004 Data Analyst
 Population Services International
Washington DC

Oct 2003 – Oct 2004 Technical Reviewer
 Institute for Defense Analyses
Arlington, VA

Committees/Professional Memberships:

Service on Committees

Chair, Academic and Student Affairs Committee 2021-present
 Morgan State University
*Role is to consider matters relating academic policies and practices of the University and
 provide input.*

American Psychological Association (APA) 2021-present
 Division 1, Assistant Awards Coordinator
 Role is to assist the awards coordinator in the organization and presentation of awards at the
 annual APA conference.

Latin American COIL Network 2021-present
 Universidad Veracruzana
 Role is to connect with faculty in Latin America to develop collaborative online international
 learning (COIL) programs.

Intellectual Property Committee, Office of Technology Transfer 2021-present
 Morgan State University
*Role is to review and recommend revisions to the Intellectual Property (IP) Policy and respond
 to requests for advice on the resolution of disputes arising under, or regarding matters not
 addressed by, the IP Policy.*

Revised: March 28, 2022

Psychometrics Graduate Study Admissions Committee 2021-present
Morgan State University
Role is to review applications for the graduate program in Psychometrics and interview potential candidates.

Blue Ribbon Task Force 2020-2021
Morgan State University
Our role is to assess and evaluate the quality of instructional delivery, develop recommendations for ensuring delivery of high-quality instruction in online and remote instruction delivery modalities, identify and address challenges experienced by faculty and students, suggest University-wide standards for adopting global best practices for ensuring excellence, in online teaching and instruction including strategies for consistent faculty- to-student engagement through Zoom, Canvas, and other software platforms and technology tools, illicit input from the Remote Instruction Committee members, faculty, and students within the University, and propose effective strategies for encouraging student motivation and success.

Associate Chair, Academic and Student Affairs Committee 2020-2021
Morgan State University
Role is to consider matters relating academic policies and practices of the University and provide input.

Latinx, Latin American and Caribbean Studies (LLACS) Advisory Committee 2019-present
Morgan State University
Role is to develop and promote Latin American and Caribbean Studies activities and programs for the University community.

Internationalization of Education Task Force (IETF) 2019-present
Morgan State University
Role is to promote international education and resources for students and faculty.

Chair, Faculty Advisory Committee, Research Center for Minority Institutions (RCMI)
Center of Urban Health Disparities Research & Innovation: Research
Infrastructure Core (RIC), Morgan State University 2019-present
Role is to provide oversight to the Research Infrastructure Core to ensure that the core's priorities are met and that resources are shared in a manner that enhances the research capacity of Morgan State University.

Chair, Budget and Finance Committee, Morgan State University 2019-2020
Role is to consider matters relating to the business and financial policies and practices of the University and the formulation of the University's operating and capital budgets and provide input.

University Counsel, Morgan State University 2019-present
Role is to review proposed policies and advise the President of the University concerning those policies of University-wide impact as well as make recommendations for the President's and Board of Regents' consideration with respect to any matter of University-wide significance and impact.

Revised: March 28, 2022

Study Abroad Committee, Department of Psychology, Morgan State University 2017-present
Role is to develop faculty-led study abroad programs including all policies and procedures pertaining to study abroad as well as training and helping other faculty to develop their own study abroad programs.

College of Liberal Arts Promotion and Tenure Committee,
Morgan State University 2018-2019
Role was to review dossiers of tenure-track Associate Professors and make a recommendation for tenure and promotion based on significant teaching, research and service contributions.

Institutional Animal Care and Use Committee (IACUC),
Morgan State University 2017-present
Role has been to start up the new animal facility at Morgan State University and review protocols for research and teaching purposes for the ethical treatment of animals and safety of students in the vivarium.

Institutional Review Board (IRB), Morgan State University 2013-2017
Role was to review over 25 human research proposals per month for the ethical treatment of human participants and proper informed consent procedures.

Scientific and Professional Organization Memberships:

NAFSA: Association of International Educators	2021-present
The Obesity Society	2010-present
Mid-Atlantic NORC (Nutrition Obesity Research Center)	2009-present
American Psychological Association (APA)	2009-present
National Alliance for the Mentally Ill (NAMI)	2005-present
Society for the Study of Ingestive Behavior (SSIB)	1999-present
Association for Applied Sport Psychology	2010-2017

Select Investigative Roles:

Principal Investigator:

2018-2020
Adolescent Use of Qualitative Research to Obtain Perspectives on Health Behaviors and Interventions
Funding source: ASCEND Center for BioMedical Research CBPR (an NIH program)

2015-2017
Stress and BMI in African American, College Age Women
Funding source: ASCEND Center for BioMedical Research Pilot & Feasibility (an NIH program)

Revised: March 28, 2022

2011-2013

Effects of Intranasal Oxytocin on Satiety Signaling in People with Schizophrenia

Funding source: Brain and Behavior Research Foundation (NARSAD)

2009-2011

Effects of Antipsychotics on Eating and Food Craving in People with Schizophrenia

Funding source: NIDA

2006-2007

A Healthy Behaviors Intervention Program for Patients with Schizophrenia

Funding source: ACISR Pilot grant

2005-2006

Olanzapine, Clozapine, and Satiety

Funding source: UMBC SGA

2005-2008

Screening Protocol for the Evaluation of Research Participants

Funding source: NIDA

Co-Investigator:

Double-Blind Placebo Controlled Study of Adjunctive Aripiprazole for Symptomatic Hyperprolactinemia in Premenopausal Women with Schizophrenia

Funding source: NIMH

Gluten Free Diet in People with Schizophrenia: A Pilot Study

Funding source: none

Characterization and Elucidation of Endocrine, Metabolic and Adipose Tissue During Clozapine Treatment in Patients with Schizophrenia

Funding source: NHLBI

Experience of Rewards in People with Schizophrenia and Community Volunteers

Funding source: NIMH

Choice Behavior in Individuals with Schizophrenia: The Role of Reinforcement

Funding source: NIMH

The Effects of the Cannabinoid-1 Receptor Antagonist, Rimonabant, on Weight and Metabolic Risk Factors in People with Schizophrenia

Funding source: NIDA and NIMH

Revised: March 28, 2022

Grants and Funding:***Funded***

2022	100,000 Strong in the Americas Innovation Fund Cultural Heroes: An Interdisciplinary experience in Community Health and Sustainable Development for Social Entrepreneurship in the U.S. and El Salvador
2021	I-Start Technology Transfer Award # OTT-ST-ART-21.1 <i>Center for Research and Study Abroad (CRESA)</i> Term: 18 months; Total award: \$20,000
2021	I-GAP Prototype Technology Transfer Award # OTT-PRO-124 <i>STEAM Abroad Safety</i> Term: 7 months; Total award: \$20,000
2020	I-GAP Technology Transfer Award # OTT-STT-091 <i>Global Competency Experiential Learning Program</i> Term: 10 months; Total award: \$10,000
2018	ASCEND Center for Biomedical Research <i>Course Redesign: Health Psychology and Service Learning (Global Health)</i> Term: 1 year; Total awarded: \$18,000
2018	National Institute of General Medical Sciences (NIGMS) <i>Adolescent Use of Qualitative Research to Obtain Perspectives on Health Behaviors and Interventions</i> Term: 1 year; Total awarded: \$20,000
2015	ASCEND Center for Biomedical Research Pilot & Feasibility <i>Stress and Obesity in African American College Women</i> Term: 1 year; Total awarded: \$50,000
2011	Brain and Behavior Research Foundation (NARSAD) <i>Effects of intranasal oxytocin on satiety signaling in people with schizophrenia</i> Term: 2 years; Total awarded: \$59,930
2009	National Institute on Drug Abuse (NIDA) <i>Effects of Antipsychotics on Eating and Food Craving in People with Schizophrenia</i> Term: 2 years; Total awarded: \$54,450
2007	Advanced Centers for Intervention and/or Services Research (ACISR) <i>A Healthy Behaviors Intervention Program for Patients with Schizophrenia</i> Term: 1 year; Total awarded: \$ 11,540

Revised: March 28, 2022

Faculty-led Study Abroad Programs at Morgan State University. Presented at BEARS BEYOND BORDERS: International Education Symposium, Morgan State University/Online, April 2020.

Revised: March 28, 2022

Faculty-led Study Abroad to Guatemala for Global Health. Presented at the MCCIEC- Maryland International Education Consortium Faculty-Led Study Abroad Symposium, UMBC, Baltimore, MD, November 2019.

Faculty-led Study Abroad to Guatemala for Global Health. Presented at the Maryland International Education Consortium Spring Conference, Montgomery College, Germantown, MD, April 2019.

Stress, BMI and Neural Correlates of Obesity in an African American College Age Female Population. Presented at the ASCEND Scholars Research Day, Student Research Institute, Morgan State University, Baltimore, MD, June 2018

Stress and Neural Correlates of Obesity in an African American Female College Age Population. Presented at the Interdisciplinary Seminar Series co-sponsored by NIGMS RISE, ASCEND, and the SCMNS, Morgan State University, Baltimore, MD, April 2018.

Stress and BMI in an African American College Age Female Population. Presented at the ASCEND Scholars Research Day, Student Research Institute, Morgan State University, Baltimore, MD, June 2017

Stress and Body Mass Index in African American Women. Presented at the ASCEND Scholars Research Day, Student Research Institute, Morgan State University, Baltimore, MD, June 2016.

Intranasal Oxytocin Effects on Satiety Signaling and Sensory Perception in People with Schizophrenia. Presented at The Obesity Society conference, Los Angeles, CA, November, 2015.

Intranasal Oxytocin and Satiety Signaling in People with Schizophrenia. Presented at the International Congress on Schizophrenia Research, Colorado Springs, CO, March, 2015.

Factors Affecting Obesity and Weight Gain. Presented for the College of Liberal Arts at Morgan State, Baltimore, MD, May 2014.

Metabolic Disturbances in People with Schizophrenia. Presented at the Morgan State University Interdisciplinary Seminar Series, Baltimore, MD, April 2012.

Investigating Metabolic Disturbances in People with Schizophrenia. Presented at the Maryland Psychiatric Research Center Faculty Presentations, Catonsville, MD, February 2012.

Effects of the Cannabinoid-1 Receptor Antagonist Rimonabant on Satiety Signaling in Overweight People with Schizophrenia: A Randomized, Double-Blind Pilot Study. Presented at the International Congress on Schizophrenia Research, Colorado Springs, CO, April, 2011.

Getting people with schizophrenia to exercise using a 5K event as a motivator. Presented at the Maryland Psychiatric Research Center Neuroscience Day, Catonsville, MD, September, 2009.

Disruption in satiety signaling in patients taking olanzapine and clozapine. Presented at the International Congress on Schizophrenia Research, Colorado Springs, CO, March, 2007.

Revised: March 28, 2022

Olanzapine, clozapine and satiety. Presented at the Maryland Psychiatric Research Center Neuroscience Day, Catonsville, MD, June, 2006.

Symposia Chaired:

'When Obesity is not the Only Issue.' The Obesity Society, Atlanta, GA, November, 2013.

Poster presentations:

Warren, K.R., Stump, K., Collington, D., Rowland, L.M., Schur, E.A., Koban, M., Swinson, K. Correlates of stress and BMI in an African American female college-age population. Presented at The Obesity Society annual meeting, Washington D.C., November 2017.

Wright, S. & **Warren, K.R.** Antipsychotic side effects mediated by age, sex, and race. Presented at the Mae P. Claytor Research Symposium at Morgan State University, Baltimore, MD, April, 2014.

Warren K.R., Boucher L., Linthicum J., Buchanan R.W., Feldman S.M., Gorelick D., Liu F., Kelly D.L. Impact of weight and central adiposity on quality of life in overweight people with schizophrenia. Presented at the International Congress on Schizophrenia Research, Orlando, FL, April, 2013.

Kearns A.M., Feldman S.M., Raley H., Wehring H.J., **Warren K.R.**, Warfel D., Sullivan K.M., Earl A.K., Kelly D.L., Liu F. The use of bus advertising for participant recruitment. Presented at the International Congress on Schizophrenia Research, Orlando, FL, April, 2013.
