To Our Guests

Welcome to the 142nd Spring Commencement Exercises of Morgan State University. The University solicits your cooperation in helping to sustain the dignity and solemnity of this happy occasion. We respectfully request that you refrain from engaging in conversation as well as moving about while the Commencement Exercises are in progress. Once the exercises have begun, only members of the authorized working press and authorized photographers are permitted on the arena floor.

We ask our guests to stand as the academic procession moves into the arena and to remain standing until after the singing of the Hymn.

Thank you.
LIFT EV’RY VOICE AND SING

Lift ev’ry voice and sing
Till earth and heaven ring,
Ring with the harmonies of liberty;
Let our rejoicing rise
High as the list’ning skies.
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us.
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod,
Bitter the chast’ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet,
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered,
We have come, treading our path through the blood of the slaughtered,
Out from the gloomy past
Till now we stand at last
Where the white gleam of our star is cast.

God of our weary years,
God of our silent tears,
Thou who has brought us thus far on the way.
Thou who has by Thy might,
Led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, Our God, where we met Thee.
Lest our hearts, drunk with the wine of the world, we forget Thee;
Shadowed beneath Thy hand,
May we forever stand,
True to our God, True to our Native land.

The list of graduates that appears in this booklet is tentative and contingent upon satisfactory completion of all requirements for graduation, and participation in these Commencement Exercises cannot be interpreted as having completed all requirements for graduation from Morgan State University.
The Alma Mater

I

Fair Morgan, we love thee, so tried and so true.
Our hearts at thy name thrill with pride.
We owe thee allegiance; we pledge thee our faith,
A faith that will ever abide.

Chorus

We pledge thee our love; we pledge thee our faith,
Whatever the future may bring.
And thus our devotion, fidelity too,
And homage we pay as we sing.

II

Fair Morgan, as onward the years quickly fly,
And thou livest in memory sweet,
We bring thee our laurels whatever they be,
And lay them with joy at thy feet.

Alumni Oath of Allegiance

I hereby solemnly pledge unbroken allegiance to Alma Mater in appreciation for opportunities for development afforded me as a student at Morgan State University.

I pledge active membership in the MSU Alumni Association wherever I may be. Through association with fellow alumni, I shall ever do my best to uphold the ideals and traditions of Alma Mater.

I pledge as a citizen to exemplify the high ideals thus implied, rendering positive service to community, state and nation, and so to live as ever to bring honor and respect to Alma Mater.

The Presidential Chain of Office

The Morgan State University Presidential Chain of Office is bestowed upon each President of the University at an official inauguration ceremony and is worn by the President at Commencement and all official occasions requiring the wearing of academic regalia. It is a permanent insignia of office and is passed down to each succeeding president of the University.

The Morgan State University Presidential Chain of Office is cast in bronze with an antique patina and consists of a chain of 1 1/2-inch medallions engraved with the names of the presidents of the institution and the four periods and dates in its evolution: Centenary Biblical Institute, Morgan College, Morgan State College and Morgan State University. The medallions for the current and past presidents drape around the front, and the medallions noting the periods in the history of the institution drape around the back of the academic regalia. Near the bottom of the Chain are two banners with laurel leaves, attached to two round medallions bearing the official logo of the University. At the bottom of the Chain is a banner, crested with laurel leaves, bearing the inscription President, below which sits the official Presidential Medallion, a 3-inch round medal with a double-faced design embossed in bas-relief with the Seal of the University and its colors on the front and engraved with the University logo on the verso plane. Below the Presidential Medallion is a banner inscribed with the name of the current President.

The Presidential Chain was designed by the Inauguration Committee for Morgan’s Tenth Inaugurated President, Dr. David Wilson, in collaboration with the Office of Public Relations and Communications, and crafted by Medallic Art Company of Northwest Territorial Mint in Dayton, Nevada, in 2010. It was donated by Dr. Clara I. Adams, Morgan State University Class of 1954, Special Assistant to the President, and Mr. Wilbert L. Walker, Morgan State University Class of 1950.
The mace (Arabic, amād; Latin, macea) was originally a weapon: a short handle topped with a metal ball, its bludgeoning force eclipsed that of a club. A common sight in medieval armies, the mace also served as a symbol of authority, appearing on the seals of such monarchs as Edward the Confessor, Philip Augustus, and Frederick Barbarossa. In academic settings, a bedellus (lay church official) processed with the mace during commencement; hence, it was adopted by colleges and universities throughout the West and, in the United States, is usually borne by the Chief Faculty Marshal in academic processions.

During its Sesquicentennial Celebration—December 2016 to December 2017—Morgan State University retired its sixty-year-old mace and replaced it with a longer mace that can accommodate the names of additional Presidents over the years and that displays more prominently the insignia of the four major periods of its development: Centenary Biblical Institute, Morgan College, Morgan State College and Morgan State University.

The new mace, crafted by the Medallic Art Company in Dayton, Nevada, has a 36-inch-tall fluted mahogany staff with 14 antique brass banners encircling it, the first ten engraved with the names and terms of the inaugurated presidents of the University. The mace head is a four-sided mahogany crown that bears images of three iconic Morgan structures and, on one side, the seal of the University, all in bronze, and, at its top the traditional flame of knowledge. The base of the mace is adorned with a tiered brass foot. The new Mace was designed by the Sesquicentennial Celebration Coordinating Committee, and it is a Sesquicentennial Gift to the University from the MSU Alumni Association.

CHIEF FACULTY MARSHALS OF THE UNIVERSITY

1914-1948  Dr. Milton L. Calloway
1948-1966  Dr. George H. Spaulding
1966-1974  Dr. Nathaniel K. Proctor
1974-2009  Dr. Clayton C. Stansbury
2009-      Dr. Milford A. Jeremiah
SOME colleagues and community friends of the late Dr. Iva Gwendolyn Jones, Professor Emerita of the Morgan State University Department of English, honored her as a scholar, leader, and teacher, by extending as a gift to Morgan State University the Dr. Iva G. Jones Medallion Emblem, which is the conception of the late Assistant Professor Emeritus Samuel L. Green, who was, likewise, one of the two co-designers of the symbol. The second co-designer, and medallion silversmith, was retired Associate Professor Kenneth Royster.

The Emblem fabric approximates in width the border of the master’s hood, is velvet, and employs the University colors—blue and orange. The detachable chain, which surmounts the emblem and helps to drape the wearer’s front and shoulders, bears silver mounts that hold the medallions in suspension.

Appraisers have assessed each silver medallion at over ten times the value of the United States silver dollar, which the medallions resemble. The twenty-one (21) emblem medallions—which the Philadelphia Mint created exclusively for the Negro Commemorative Society (Membership Number 1043)—display the images of African-American notables like Crispus Attucks, Benjamin Banneker, Henry O. Tanner, Lorraine Hansberry, Mary Church Terrell, Alaine Locke, and Ralph Bunche.

Annually, colleagues, employing University-approved criteria, select an individual to wear the Emblem. Those honored by this selection are persons who reflect vividly in their professional lives the qualities distinguishing the individual whose name the Emblem bears.

The Dr. Sandye Jean McIntyre, II
International Award

The Dr. Sandye Jean McIntyre, II, International Award, a sash designed and tailored specifically for this award, is inspired by the diplomatic sash customarily worn for formal occasions by ambassadors, consuls, and other dignitaries. It is red satin accented with a traditional rosette and blue, white, yellow and green ribbons, representing the flags of the United States of America, France, Senegal, and other countries with which Dr. McIntyre had contact in his diplomatic and academic careers. In the center front of the sash, a specially-commissioned gold medal (struck by Charles Nusinov and Sons) features a world map enclosed by laurel wreaths and the name of the award.

The Award was established in 1997 and conferred upon Dr. McIntyre at the annual Founders Day Convocation in 1997. It is given to that member of the Morgan faculty who demonstrates extraordinary commitment to global learning and international understanding and who promotes international programs at Morgan.

The Academic Regalia

The traditional black caps and gowns worn by students and faculty in the academic procession have been the historic regalia of scholars since medieval times. Because many scholars of that period were members of monastic orders, the academic regalia probably represents an adaptation of ecclesiastical dress.

A uniform code for academic regalia was drafted by an intercollegiate commission in 1893 and has since been adopted by the majority of colleges and universities in the United States. Each of the three academic degrees—bachelor’s, master’s and doctor’s—has its own distinctive gown and hood. The gown representing the bachelor’s degree is distinguished by its long pointed sleeve. The master’s gown has a longer, narrow, closed sleeve, extending below the knee. The arm is passed through a slit at the elbow. In contrast, the doctor’s gown is faced with wide velvet bands, which may be black or a color indicating the general field of learning of the wearer—for example, dark blue for philosophy, green for medicine, and purple for law.

The most colorful and distinctive item of the academic regalia is the hood, which passes around the neck and extends down the back. The doctor’s hood is the largest, and the bachelor’s hood is the smallest. Often the use of a bachelor’s hood is omitted. The wearer’s field of learning is indicated by the color of the hood and the tassel. Among the colors of hoods are:

- Architecture .................................................. Blue Violet
- Arts, Letters, Humanities .................................. White
- City Planning .................................................. Blue-Violet
- Commerce, Accountancy, Business ...................... Drab
- Education ...................................................... Light Blue
- Engineering .................................................... Orange
- Fine Arts ....................................................... Brown
- Human Ecology ............................................. Purple
- Journalism .................................................... Crimson
- Library Science ............................................. Lemon
- Medicine ........................................................ Green
- Music ............................................................ Pink
- Nursing .......................................................... Apricot
- Philosophy ..................................................... Dark Blue
- Physical Education .......................................... Sage Green
- Public Administration ...................................... Peacock Blue
- Public Health ................................................ Salmon Pink
- Science ........................................................ Golden Yellow
- Social Science ................................................ Citron
- Speech (Oratory) ............................................ Silver
- Theology & Divinity ......................................... Scarlet

The colors of the silk lining exposed in the center of the hood are those of the college or university which conferred the degree. The tassel may be either black or the color of the field of learning. The tassel of the doctor’s cap is usually gold.
The Academic Degrees

The first known degree was a doctorate conferred by the University of Bologna in the middle of the 12th century. Originally, the doctor’s and master’s degrees were used interchangeably, each indicating that the holder was qualified to give instruction to students. The bachelor’s or baccalaureate degree indicated only entrance upon a course of study preparatory to the doctorate or mastership. Gradually, however, the bachelor’s degree came to mean successful completion of one level of study preparatory to the higher degrees.

Today, there are more than 1,600 different academic degrees conferred by colleges and universities in the United States. The advanced degrees granted by Morgan State University are the Master of Arts, Master of Arts in Teaching, Master of Science, Master of Business Administration, Master of Architecture, Master of Landscape Architecture, Master of City and Regional Planning, Master of Engineering, Master of Public Health, Master of Social Work, Doctor of Education, Doctor of Engineering, Doctor of Philosophy and Doctor of Public Health.

The Doctoral Degree

The doctoral degree or doctorate represents the most advanced degree conferred at institutions of higher education in the United States. The Oxford English Dictionary defines a doctor in the academic sense as “one who, in any faculty or branch of learning, has attained to the highest degree conferred by a university.”

There are two major types of doctoral degrees: earned doctorates and honorary doctorates. Earned doctorates are further divided into two distinct types—the research degree and the professional or practitioner degree. The distinguishing feature of the research degree is that it normally requires a lengthy scholarly dissertation which is usually designed to constitute a substantial contribution to the existing body of knowledge in its field. The most important doctorate of the research type at institutions of higher education in the United States is the Doctor of Philosophy. The only other earned doctorate of the research type which has secured wide recognition and use by a large number of leading United States universities is the Doctor of Education.

The Master’s Degree *

The master’s degree is an academic honor conferred upon students who have successfully completed one or two years’ work beyond the baccalaureate. A thesis and an oral examination are usually required. The word magister connected with a qualifying phrase was used among the Romans as the title of honor, but its present meaning must be traced to the time of the establishment of the oldest universities. Regularly organized faculties were not then known as they now exist in the universities. The whole circle of academic activity was limited to seven liberal arts. Those who received public honors in the completed studies, and who had already received the degree of baccalaureus (bachelor), were called magistri artium (masters of the liberal arts).

The Bachelor’s Degree **

The bachelor’s degree represents completion of a four-year course of study of collegiate grade and is the oldest academic degree used at institutions of higher learning in the United States. The degree of Bachelor of Arts was the first conferred in the United States in 1642 on nine young men, comprising the first graduating class of Harvard College. Yale conferred its first Bachelor of Arts in 1702; Princeton in 1748; William and Mary in 1753; Pennsylvania in 1757; Columbia in 1758; and Morgan State to George W. F. McMachen in 1895.

** Sometimes designated as the baccalaureate degree, from the Latin baccalaris, “under the influence of,” and laurus, “laurel,” used as a designation of honor, distinction, or fame.

TOM JOYNER
Doctor of Laws

In a career in broadcasting that spans nearly five decades, Thomas Joyner has become one of this nation’s legendary radio personalities and one of its major entrepreneurs and philanthropists. A graduate of Tuskegee Institute in Alabama, and a veteran local and national civil rights activist, Tom Joyner has earned the reputation of being “The Hardest Working Man in Radio.” Having introduced listeners to his insight and humor and having made his mark at WRMA-AM radio station in Montgomery, Alabama, in 1970, Tom Joyner embarked on a journey that took him through Memphis, Tennessee, St. Louis, Missouri, Dallas, Texas, and Chicago, Illinois, and culminated with his convincing ABC Radio Networks to take his urban radio style nationwide. Launched in 1994, The Tom Joyner Morning Show, in national syndication, soared to unexpected heights and, with a repertoire that catered specifically to the African-American audience, became the hotspot for celebrities, company and national leaders and politicians needing to connect to the community. The Tom Joyner Morning Show, with nearly eight million listeners in more than 105 cities, and its lifestyle website affiliate, BlackAmericaweb.com, have become one of the nation’s major advocates for the welfare of the African-American community and, specifically, Historically Black Colleges and Universities. The Tom Joyner Foundation, established in 1998, has taken that crusade to an even loftier plateau through its efforts to promote diverse academic opportunities to students wanting to attend or attending HBCUs, regardless of economic status and means. Enshrined in the Radio Hall of Fame and recipient of the NAACP Image Award, Tom Joyner is one of America’s most vocal and successful advocates for issues facing the African-American community, including voter registration, family health, civil and human rights, and educational opportunity.

Honorary Degree Recipient

GLORIA LADSON-BILLINGS
Doctor of Laws

Dr. Gloria Ladson-Billings is one of the nation’s most highly acclaimed and highly decorated educators of the 20th and 21st centuries, and she is one of the world’s leading authorities on culturally relevant pedagogy and critical race theory. A graduate of Morgan State College, Class of 1968, Dr. Ladson-Billings devoted ten years to high school teaching and supervision before spending well over thirty years in training the next generation of American teachers at the college level. Earlier this year, she retired after twenty-seven years of full-time teaching at the University of Wisconsin-Madison, where she was Kellner Family Distinguished Professor of Urban Education. Since she entered higher education in 1983 and since the publication of her ground-breaking treatise, The Dreamkeepers: Successful Teachers of African American Children in 1997, Dr. Ladson-Billings has distinguished herself as one of the nation’s most respected scholars on pressing issues in education and on development programs to enhance the preparation of the next generation of education scholars. Former president of the American Educational Research Association and editor of one of its scholarly journals, she now stands as the president of the prestigious National Academy of Education, where she advocates effectively for American educators to acknowledge and confront the accumulated educational debt owed to marginalized minority students and to use their minority cultural referents to empower those students intellectually, socially, emotionally, and politically. She is an alumna in whose success the University takes great pride.
Honorary Degree Recipient

STANLEY E. NELSON, JR.
Doctor of Humane Letters

Stanley E. Nelson, Jr., is one of the preeminent documentary filmmakers of our time. During a career that has spanned more than thirty years, he has been the foremost chronicler of the African-American experience working in nonfiction film. From his early debut in 1986 with Two Dollars and a Dream: The Story of Madam C. J. Walker, which aired on PBS during Black History Month, down to Tell Them We Are Rising: The Story of Black Colleges and Universities, which premiered more than thirty years later, in 2017, and has won widespread critical acclaim; Stanley Nelson has dramatically and permanently changed the national narrative about the African-American experience. Executive Director and cofounder—along with his award-winning wife, writer Marcia Smith—of Firelight Media, a nonprofit production company dedicated to using historical film to advance contemporary social justice, and co-founder of Firelight Films, a for-profit documentary production company, Stanley Nelson has won every major award in broadcasting, including multiple Emmy Awards, the MacArthur “Genius” Fellowship, the Lifetime Peabody Award, and the National Humanities Medal from President Barack Obama. He is both a pathfinder and a pioneer in modern documentary filmmaking and in changing the story, told far too often by others, about the minority American experience; and he plays a major role today in mentoring, inspiring and training a new generation of diverse young filmmakers committed to telling underrepresented stories.

Alumnus-of-the-Year

FLOYD E. TALIAFERRO, III, ’74, ’70
President, Morgan On-Campus Alumni Chapter, Director, MSU University Student Center, Student Advocate

Floyd E. Taliaferro, III, currently serves as the Director of the Morgan State University Student Center and President of the Morgan On-Campus Alumni Chapter. Mr. Taliaferro received his Bachelor of Arts degree in sociology in 1974 and a master’s degree in recreation in 1979.

In 2008, he revived the Morgan On-Campus Alumni Chapter by reaching out to fellow Morgan employees campus-wide, as well as alumni off campus, to become active members of the group. In 2015, he also created the signature fundraiser for the chapter, Benefit for Books, to assist students in securing their textbooks. In 2015, the Morgan On-Campus Alumni chapter was named Chapter of the Year.

Taliaferro also serves as the Community Outreach Liaison Director for ALL WALKS OF LIFE, LLC, a family mental health community-based business, which has afforded him the opportunity to create internships and provide scholarships and fellowships for Morgan students as well as supplementing and financially supporting tuitions for students in need. One of the most notable partnerships he coordinated has been with Morgan State University's School of Social Work to support over 20 students in acquiring their Master’s degrees. Through this collaboration, ALL WALKS OF LIFE, LLC, has been able to provide over $50,000 in tuition remissions for students as well as fully paid internships. He assisted the agency in identifying two fellowship students in receiving full tuition for the 2016-2017 and 2017-2018 academic school years.

The President’s Second Mile Award

The President’s Second Mile Award was established in 1953 by Dr. Martin D. Jenkins, President of what was then Morgan State College, and the tradition has been continued to encourage and give recognition to outstanding leadership and participation in student affairs. It is intended that this award will go to that member of the graduating class who has made the most outstanding contribution to the campus community during his or her undergraduate days.

“Going the Second Mile” means doing more in any given task or activity than can reasonably be expected. It is hoped that “Going the Second Mile” will be characteristic of every Morgan State University student and graduate and that it will become one of firmly established traditions of the university community. The winner of the Second Mile Award is selected by a committee consisting of the president of the Junior Class and Junior Class representatives in the Student Government Association. Organizations and individuals are invited to submit nominations for the award. Nominations are supported by a description of the individual’s achievement.

**The President’s Award for Exceptional Creative Achievement**

The President’s Award for Exceptional Creative Achievement was established in 1953 by Dr. Martin D. Jenkins, President of what was then Morgan State College, and the tradition has been continued to encourage and give recognition to the expression of worthwhile original ideas among the students of the university. It is intended that this award will go to that member of the graduating class who has made an exceptional contribution of a creative nature.

One of the most important functions of an institution of higher education is to stimulate the development of original ideas. Although major contributions are hardly to be expected, certainly the techniques of creative thought and the habit of expressing original ideas should be developed during the undergraduate days. The budding techniques and habits so developed, it is hoped, will come to fruition in post-university years.

The Award for Exceptional Creative Achievement may go to a student who makes a creative contribution in any field or area. The winner of the President’s Award for Exceptional Creative Achievement is selected by a faculty committee. Departments and individual faculty members are invited to submit nominations for the award through the appropriate department chairperson. Nominations are supported by adequate description of the nominee’s achievement.
